IMAGE PRINTING: It is strongly recommend that if you choose to print any image that you use a professional photographic printing company and NOT a "High Street" printing option. In most cases these printers are not of a professional standard and are for general use only. We cannot be held responsible for their print quality.

CREATIVE LICENCE: Steven Brooks Photographer shall be granted creative and artistic license in relation to the choice of locations and poses used. Our judgment on photographic style and the number of photographs taken, shall be deemed correct. Due to changes of the weather and the availability and willingness of subjects. Steven Brooks Photographer will do their best to honour requested photographs but do not undertake to guarantee any specific picture nor incorporate any specific background, location or group arrangement.

MEALS: It is important that you arrange with the venue/caters for some light refreshments (sandwiches) and soft drinks to be served at the beginning of your wedding breakfast, whilst you are having your first course. This ensures I am ready and available for the speeches etc., in good time.

IMAGE USE: We reserve the right to use or display any images created as part of this Agreement in our studio SBP, as part of our portfolio, at exhibitions, or for marketing purposes. This includes Social Media and SBP site blog posts.

ALBUM IMAGE SELECTION: Images can viewed and selected from their password protected gallery accessed via the www.stevenbrooksphotography.co.uk website normally within 4 weeks to 6 weeks of the customers wedding. This is done via selecting your "favourites". Alternatively the album selection can be made through the images on the provided high resolution USB stick.

ALBUM VIEWING AND SELECTION: Your image selection and final album cover and matt selection, including any upgrade must be made within one year of your wedding date. If this is not possible within the year an additional charge of 10% on the overall total of your wedding collection choice will be added and paid before the album design is submitted for production.

ALBUM DESIGN : In order to create a bespoke design to best tell your wedding story it may be necessary to crop and resize certain images in order to facilitate a pleasing design. Unless otherwise granted by Steven Brooks Photography under license as is the case in Image Only options. Images can be used for personal use for friends and family but not for commercial purposes!

IMAGES: All images produced will provide a pleasing colour balance but Steven Brooks Photography cannot guarantee exact colour matching caused by a combination of certain dyes and materials especially manmade fibers. It is sometimes impossible to record on film and with digital capture the exact colour as seen by the human eye. Retouching, digital manipulation and artist finishing is available to the client as an optional extra and is costed on an individual basis depending on the amount of work required. Minor retouching, spots, blemishes etc will be removed on request but applies only to album images only. Image only packages are edited so as to be print ready and supplied as high quality resolution only without any major digital manipulation and artist finishing.

EXCLUSIVITY: Steven Brooks Photography shall be the sole professional (still) photographer at the venues specified. We do however positively encourage family, friends, and other guests to take photographs throughout the day.
